

P.U.(A) 328/86
FACTORIES AND MACHINERY (BUILDING OPERATIONS AND WORKS OF ENGINEERING
CONSTRUCTION) (SAFETY) REGULATIONS 1986
PART X - SCAFFOLDS

Regulation 90. Platforms to be unobstructed and to afford safe foothold.

(1) Every platform shall be kept free from any unnecessary obstruction, material or rubbish and from any projecting nails.

(2) If a platform becomes slippery, appropriate steps shall as soon as reasonably practicable be taken to remedy the defect.
